

### **Documentation of Other Monuments:**

In Chhattisgarh, apart from the protected monument (i.e 45 Centrally protected monuments and 58 State protected monuments), there are good number of ancient structures lying here there Archaeological Survey of India recently initiated to investigate this type unprotected archaeological vestiges. The team of Raipur Circle recently visited two such unprotected temples in Dantewada and documented basic information like artistic, architecture importance and condition of the monument etc.

1. Solah khambha temple, Village: Barsoor, Dist. Dantewada, Chhattisgarh.
2. Pedamba Gudi temple, Village: Barsoor, Dist. Dantewada, Chhattisgarh.

Solah khambha temple

Pedamba Gudi temple

The Archaeological Survey of India, Raipur Circle would like to protect some of these unprotected remains after completing necessary formalities/ procedures in consultation with its Directorate Office New Delhi as well as State Government.
